REFUND POLICY

Payment in advance for a workshop guarantees and holds your spot for that workshop. We understand things in life come up. So, if you need to cancel or change to a different workshop date 7+ days before the workshop we will be more than happy to give you a refund or transfer you to a different workshop. Closer than 7 days and the fee paid can be used as a credit toward another workshop.

PRIVACY

Please be assured that your personal information will never be sold or given to 3rd parties. We will only contact you as long as you wish to be contacted. For our entire privacy policy please visit our website at www.yogadesires.com.
